

## Track Roller Bearings

### KR-KRV Series-KRV16KRVE16

|                               |        |
|-------------------------------|--------|
| Bearing number :              | KRV16  |
| Weightg :                     | 20     |
| Model with eccentric sleeve : | KRVE16 |
| Weightg :                     | 22     |

#### Dimensions(mm) :

|          |      |
|----------|------|
| D :      | 16   |
| d :      | 6    |
| C :      | 11   |
| r min. : | 0.15 |
| B :      | 28   |
| B1 :     | 16   |
| B2 :     | —    |
| G :      | M6×1 |
| G1 :     | 8    |
| M :      | 4    |
| M1 :     | —    |
| C1 :     | 0.6  |
| d2 :     | 12   |

#### Basic Load Rating(kN) :

|                      |      |
|----------------------|------|
| Cr :                 | 7.02 |
| Cor :                | 8.69 |
| Speed Rating (rpm) : | 3800 |

#### Eccentric sleeve :

|                                 |     |
|---------------------------------|-----|
| d1 h9 :                         | 9   |
| B3 :                            | 7   |
| e :                             | 0.5 |
| Tightening torque of nut (Nm) : | 3   |
